## Pro Tips for Bike Rentals in India

**Book in Advance** – Especially for peak season (Ladakh: June-Sept, Himachal: March-June)

**Test Ride First** – Always do a short test before long journeys

**Document Everything** – Photos/videos of bike condition before pickup

**Check Reviews** – Google reviews, biking forums (India Mike, Team-BHP)

**Weather Preparedness** – Himalayas can be unpredictable; carry rain gear

**Altitude Acclimatization** – For Ladakh/Spiti, factor in acclimatization days

**Local Insights** – Rental operators often have best route knowledge

**Emergency Contacts** – Save operator's number, nearest hospital, police
